Payment is due net 10 days

from statement date.

Any account over 45 days will be

put on a C.O.D. basis, unless

prior arrangements have been made

A mandatory \$3.50 disinfection fee will be applied to each case

* Please note: There will be an additional charge if the metal weight exceeds 1.0 d.w.t.

** Beryllium and Nickel free.

Typically, yellow high noble is significantly more expensive than other high noble metals.

If metal preference is not noted on the lab script, there could be a delay in the case.

Fees subject to change without notice

Removable

Mason 1 Denture* : includes bite rim, setup, New Hue or comparable teeth, 1 reset/process	\$	217.00
Mason 1 Partial* : inc. frame, wax rim setup, New Hue or comparable teeth, 1 reset and process.	\$	212.00
Valplast Partial Complete* : includes New Hue or comparable teeth, 1 reset and process.	\$	183.00

* All denture/partial cases are billed in full at inception.

All other products/services are priced at the regular Mason fee schedule.
